

Toppoint B.V. hereby declares that this article is in conformity with the following applicable requirements.

Chemical:

- REACH (EC) 1907/2006 – Annex XVII Cadmium
- REACH (EC) 1907/2006 – Annex XVII Lead
- REACH (EC) 1907/2006 – Annex XVII Phthalates
- REACH (EC) 1907/2006 – SVHC candidate list

Information letter regarding Diethylhexylphthalate (DEHP) in Toppoint Luggage Tag

It has come to our knowledge that the transparent plastic cord on the Toppoint Luggage Tag Slipper with article number LT91036 may contain the substance DEHP (CAS 117-81-7) above 0.1% by weight. DEHP is on the Candidate list of SVHC substances for the authorization of the Regulation (EC) No 1907/2006 of the European Parliament of the Council (REACH).

Article 33 of the REACH Regulation requires companies who supply products which include any article which contains more than 0.1% by weight of any SVHC substance to inform their customers, why you have received this information letter.

The obligation under REACH article 33 **does not** mean that the substance is prohibited.

Regarding the substance DEHP it is a widely used additive to make plastics more flexible and softer. Toppoint works with the suppliers to keep the levels low and in the long term completely phase out these additives.
